Conventional and versatile.

The VIVA range offers various sized downlights with options of flush or recessed opal diffusers. Tritone colour selection allows easy adjustment of colour temperature. VIVA's flush diffuser with clip-on trims provides a choice of finishes to fit a variety of looks and applications.

Features

- Tritone and power switchable
- Built-in dimmable driver
- IC-4 rating (ta 25°C)
- Recessed diffuser
- IP44 from below
- Optional clip-on trims in black, brushed nickel and gold

Benefits

- Reduced SKUs and inventory levels
- Energy saving and comfort
- Allows for covered or abutted installation
- Minimises glare and enhances visual comfort
- Perfect for wet areas
- Extended application options
